Dear Mr. Wilson:

The National Classification Management Society will hold its Twelfth Annual National Seminar July 20, 21, and 22, 1976, at the Sheraton-Harbor Island Hotel, San Diego, California.

On behalf of the Society I would like to extend an invitation to you to address our attendees concerning your agency's approach to the implementation of the Freedom of Information and Privacy Acts. Your views regarding the recently issued Executive Order #11905 concerning U. S. Foreign Intelligence Activities would also be of interest to our attendees.

The National Classification Management Society was founded in 1963 and is an organization of government and industry representatives who are responsible for administering the classification program pursuant to Executive Order 11652.

In your position as Information and Privacy Coordinator for the Central Intelligence Agency, a presentation from you would have a significant impact on our members and add to the success of our seminar.

I look forward to hearing that we can plan to have you with us in July.

Very truly yours,

R. G. Butala

Dear Mr. Butala:

I will be pleased to accept your invitation to speak at the National Classification Management Society's Twelfth Annual National Seminar in July, in San Diego, California. I have heard much about your Society and would appreciate the opportunity to meet with some of the members. It will be necessary that I restrict my remarks concerning the Central Intelligence Agency to our approach and experiences in the implementation of the Freedom of Information and Privacy Acts rather than the Executive Order 11905.

Please advise the necessary administrative arrangements that I will need to make. I will look forward to meeting you in July.

Sincerely,

/s/ GFW
